European City Facility and European Islands Facility info session

The Executive Agency for Small and Medium-sized enterprises in collaboration with the Directorate-General for Energy of the European Commission are organising an information session to present the objectives and the scope of the European City Facility and the European Islands Facility.

It will take place in Brussels on **02/07/2017 from 14:00 to 16:00**.

The event is aimed at organisations interested in applying for the following calls for project proposals under the Secure, Clean and Efficient Energy work programme of Horizon 2020:

- "LC-SC3-EE-17-2019: European City facility - European Cities as key innovation hubs to unlock finance for energy efficiency" and
- "LC-SC3-ES-8-2019: European Islands Facility - Unlock financing for energy transitions and supporting islands to develop investment concepts".

The Calls for proposals will open in the course of the summer with a **deadline on 5 February 2019**.
